INNOVATION
THAT WORKS AS HARD AS YOU DO.

Successful foodservice operations have two things in common: skilled professionals who are dedicated to their craft, and quality supplies they can depend on for superior performance and protection, day in and day out.

That's where FoodHandler® comes in. We are the established experts in safe food handling, offering a full line of disposable gloves, apparel, food storage and cooking bags. Our innovative solutions are designed to minimize the risk of food contamination while enabling foodservice workers to be safe, comfortable and productive.

From the unsurpassed quality of our product lines to our leadership in food safety, FoodHandler provides the full range of resources you need to keep your business protected.

FOODHANDLER® BAGS

FOODHANDLER IS THE CLEAR CHOICE IN FOOD STORAGE

For pre-portioning, cooking and storage, FoodHandler® bags deliver unsurpassed convenience and versatility. Designed for strength and durability across a variety of applications, these innovative time-savers can stand up to the rigors of busy foodservice operations.

In addition to reducing risk of contamination, FoodHandler bags can save labor costs by simplifying cleanup — and improve HACCP compliance by keeping grease out of the drains.

FOODHANDLER®
THE FOOD SAFETY EXPERTS

Among suppliers of foodservice disposables, FoodHandler was the first to focus on developing solutions specifically designed for safe food handling. And we continue to lead the way today.

Food contamination poses a serious and costly threat to all types of foodservice operations. So we remain committed to helping our customers reduce risk, with innovative products and programs that leverage the latest technologies to protect workers and customers alike.

FoodHandler gives you access to information and industry insights related to food safety. We are committed to helping keep our customers up to date on the most advanced products and processes for assuring safe food handling. Plus, your FoodHandler representative is always available to provide food safety consultation and coordinate worker training to ensure that your business is protected.
